

ANTI-CORRUPTION ORGANISATION**December 2015 Report****Highlights**

- One (01) new case file opened this month
- AC hotline phone received **33** calls
- HC hotline phone registered **6** calls this month

General

The AC hotline phone received **33** calls with 8 complaints, **5** corruption complaints and **3** non-corruption related offences.

AC volunteers made more informative visits to the field following complaints received through the AC hotline phone.

One (01) new case file were opened this month

A new case file on Oppression was opened this month. The victim reported the magistrate of Poli in Garoua for detaining him since 2011 as a suspect in a theft case but has never given room for his case to be heard. AC intends to contact the police officer in charge of investigations for more details on the case.

AC Hotline Phone

The AC hotline phone registered **33** calls this month with **5** corruption and corruption assimilated offences and **3** non-corruption related complaints. The calls have been analyzed and represented on charts as seen below.

52% of calls this month were responsive while 48% of calls were non responsive

53% of callers had no complaint, 29% of callers had corruption complaints while 18% of callers reported complaints not related to corruption

Bribery and corruption top the list of this month’s corruption complaints with 40%, followed by complaints against oppression, fraud and misappropriation of public funds which all had 20% each

Private complaints made the bulk of non-corruption complaints representing 67% while discrimination based on social status complaint was at 33%.

Gender

The male gender as usual had the highest number of calls this month of December 2015 showing 82% of calls while the female gender participated with just 18% of calls

Age range of callers

The adult age range participated most with a total number of 88% while the youth age range had just 12% of calls

Regional representation

The Centre region had the highest with 50% of total calls, followed by the North region with 25%, then the Littoral region with 19% and lastly the East region with 6%

Investigations

Investigations were carried out in a new case file on Oppression opened this month. The victim reported the magistrate of Poli for detaining him since 2011 as a suspect in a theft case but has never given room for his case to be heard. The victim worked as a house keeper in the house of the magistrate. The magistrate immediately ordered his arrest when his wife lost her jewelries and asked he be detained. Since then, anyone who wants to take up his case meets resistance from the magistrate which is why his case has never been heard. AC closed the case file after contacting the magistrate and he said that he had overwhelming evidence to proof the boy as the culprit of the theft.

Legal follow-up

The lawyer handling the case of motor bike riders against the head of the Nkolbisson municipal storeroom still at the level of hearings in the high court in Yaounde is to officially push for the case to be reopened in January 2016. The case was suspended for an extended period and promised to be thrown out of court because both the plaintiffs and the defendants miss court sessions.

Health Corruption Hotline

The health corruption hotline received 6 calls this month no complaint registered. The information on calls has been analyzed and represented on charts below.

This month of December 2015, 67% of calls were responsive while 33% of callers did not respond to their calls

Gender

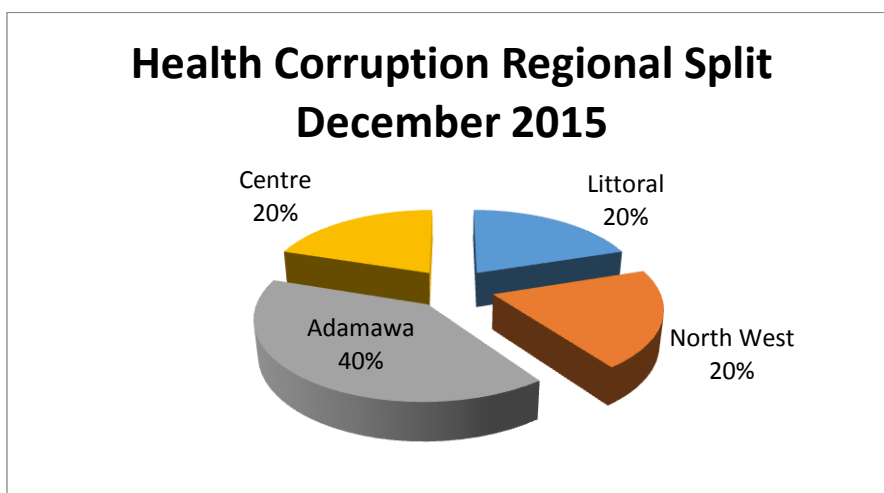

The male gender had the highest participation this month representing 83% of total calls while the female gender recorded 17% of calls

Age range of callers

This month of December 2015 saw the participation of just two age groups, the youth and adult age groups. The adult age group represented 67% of calls while the youth age group represented 33%. The elderly age group recorded no calls, a trend common in the last few months.
