The Mayor of the Kumba I Urban Council was equally an accomplice in the offence of undue demand.

In both cases, the two authorities illegally extorted money from vehicle users in the name of issuing them Certificates of Road Worthiness that they are not authorised to by law.

Ministry of Transport:

Our mission to the Ministry of Transport was to obtain the Ministerial Decision instituting Vehicle Testing Centres in Cameroon and the Decree Privatising the Sector.

There the Sub-Director in charge of Land Transport informed AC “No official of his Ministry has the power to conduct Vehicle Testing Services or to issue any certificate related to that.” He said that private companies conduct all vehicle testing.

The Gaenecological and Obstetric Hospital:

AC visited the hospital and noticed that Doctors requested an additional sum of 6.000 Frs. Before signing a Medical Certificate after the legally authorised 1.800 Frs. has been paid.

The 8th Police Station Tsinga

AC noticed that the Police extort money from citizens before following up cases. Such money is requested indirectly in the name of “petrol money”.
