

**ANTI-CORRUPTION ORGANISATION****February 2016 Report****Highlights**

- One (01) new complaint file opened this month
- AC hotline received **25** calls this month
- Health Corruption hotline received **10** calls this month

**General**

The AC hotline phone registered 25 calls this month with 7 corruption complaints and corruption assimilated offences and 2 non-corruption complaints.

Field missions were not carried out this month due to the financial problems currently confronting AC but follow-up was done through the AC hotline phone on complaints received.

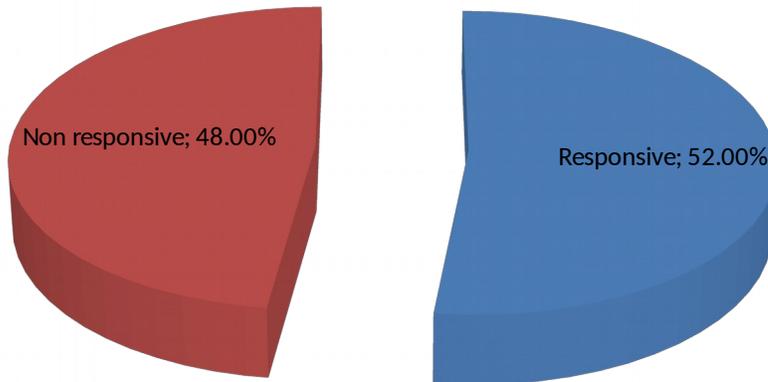

One new case file opened

A new case file on Oppression and Corruption was opened this month. Motorbike commercial drivers of the Yokadouma division of the East region complained that the Senior Divisional Officer had asked them to stop circulating because his personal commercial motorbike was stolen. Since motorbikes are the main means of transportation in this locality, this act nearly resulted in riot. Considering the urgent need for action, AC counseled the head of the motorbike taxi union of Yokadouma to write a quick letter to the governor of the East region who immediately used his office to resolve the problem.

**AC Hotline Phone**

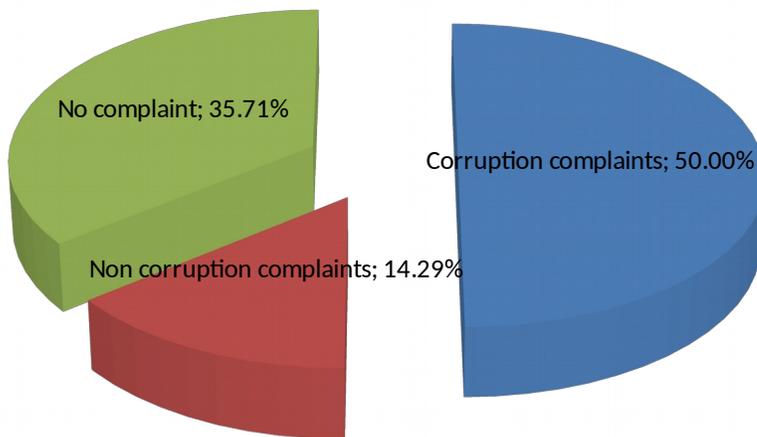

The AC hotline phone registered 25 calls this month with 7 corruption complaints and corruption assimilated offences and 2 non-corruption complaint as represented on charts below.

### AC Hotline Calls split February 2016

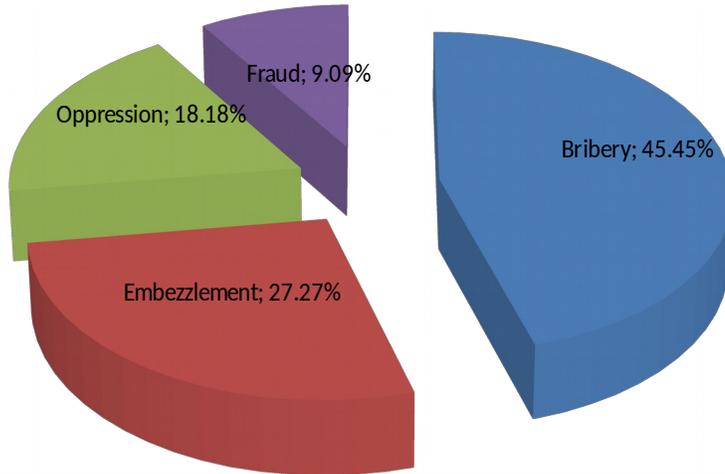

52% of calls were responsive while 48% were non responsive

### AC Hotline Responsive Calls Split February 2016

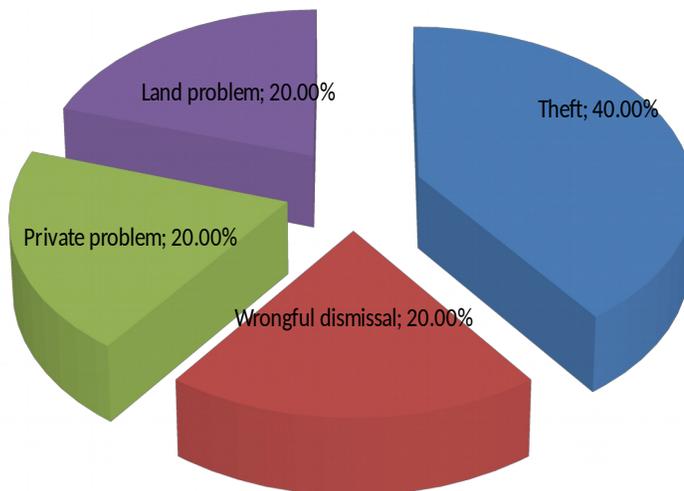

50% of responsive calls this month were corruption complaints, followed by no complaint calls with 36% and non-corruption calls with 14%

### AC Hotline Corruption Complaints Split February 2016

46% of corruption complaints this month were against bribery and corruption, followed by complaints against embezzlement with 27%, oppression with 18% and lastly fraud with 9%

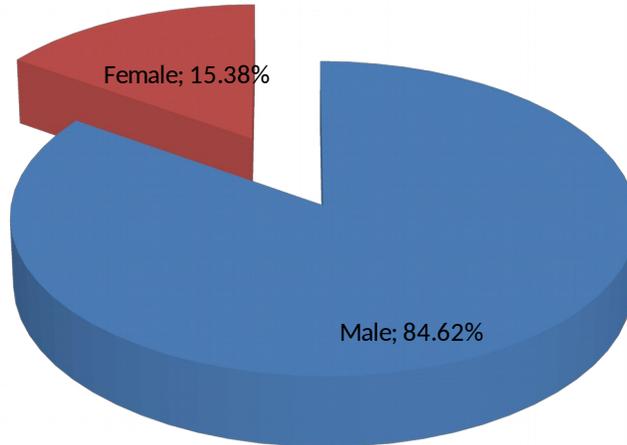

### AC Hotline Non-Corruption Complaints Split February 2016

Complaints against theft were at 40%, followed by complaints against abusive dismissal, land problems and complaints with private problems all had 20% each.

**Gender**

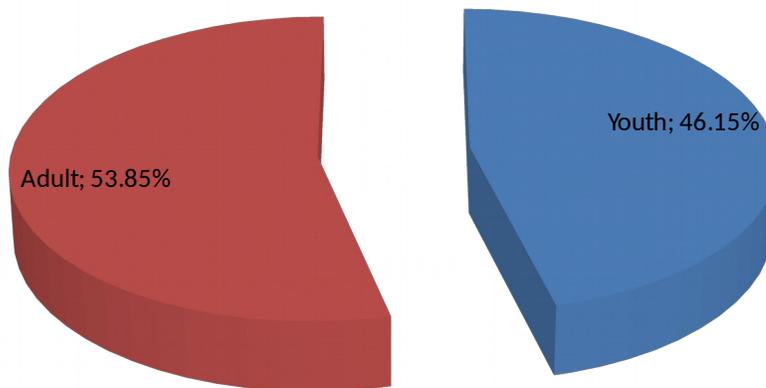

**AC Hotline Gender Split February 2016**

The male gender as usual participated most representing 85% of total calls while the female gender had 15%

**Age Range of Callers**

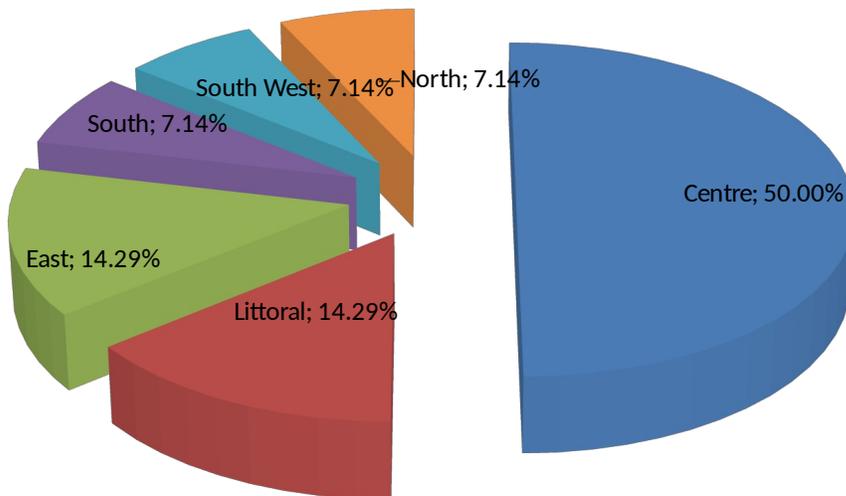

**AC Hotline Age-Range Split February 2016**

The adult age range had the highest calls representing 54% while the youth age range had 46% of calls. The elderly age range did not participate in calls this month

## Regional Representation

### AC Hotline Regional Split February 2016

The Centre region participated most representing 50% of total calls, followed by the Littoral region with 15%, the East region with 14% and then the North, South and South West regions with 7% each of calls

### Email/postal complaints

Four corruption complaints were received through the AC email address. The first was a case of two counts of bribery and corruption and oppression implicating the state counsel of Dschang, the second was a case on embezzlement denouncing the director of an agricultural school in Bamenda (CRA Bambili) who has been siphoning money from the school, the third involving bribery and corruption implicating the Minister of Mines, Industries and Technology Development and a last one involving fraud.

Also, a non-corruption complaint was received through the Organizations' email address on theft.

### Investigations

Investigations were carried out on a new case file opened this month on Corruption and Oppression. The Senior Divisional Officer (SDO) of Yokadouma ordered motorbike taxis to stop work. The reason for this being that his own commercial motor bike was stolen and he must recover it before commercial motorbikes can resume circulation in the whole of Yokadouma. He added that any motorbike driver who wanted to work should deposit 5,000 FCFA in his office beforehand. Considering the urgent need for action to resolve the problem and the fact that the

ac.cameroon@yahoo.com

issue was escalating into a manifestation, AC counseled the head of the motorbike taxi union of Yokadouma to write a letter to the governor of the East region who used his office to quickly resolve the problem.

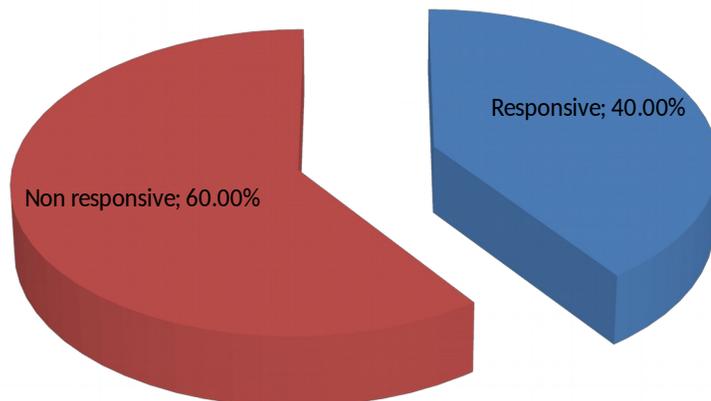

### Case Follow-up

AC has not been able to get in contact with any member of the school administration of ENIEG in Nanga Eboko with respect to the bribery complaint file opened last month.

### Health Corruption Hotline

Calls received through the Health Corruption hotline phone saw a slight increase from last month's calls. 10 calls came in through the Health Corruption hotline phone with 1 non-corruption complaint concerning lateness and negligence of medical personnel in hospitals. The data has been analyzed and is represented on charts as seen below.

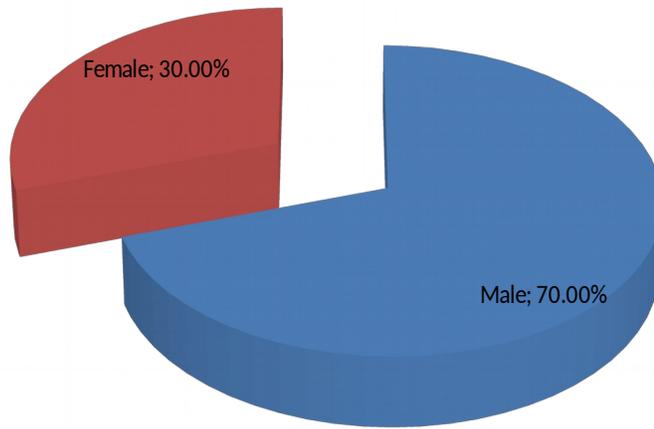

### Health Corruption Hotline Calls Split February 2016

60% of calls this month were non responsive while 40% were responsive. The reason for the high number of non-responsive calls can be explained by the fact many callers just flash or send a beep-me message which AC could not call back because of financial difficulties being experienced in the early part of the month.

## Gender

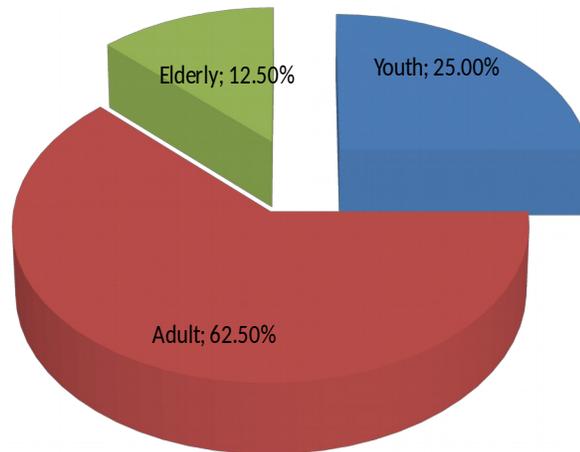

### Health Corruption Hotline Gender Split February 2016

The male gender recorded more calls representing 70% of calls while the female gender represented 30% of calls received.

## Age Range of Callers

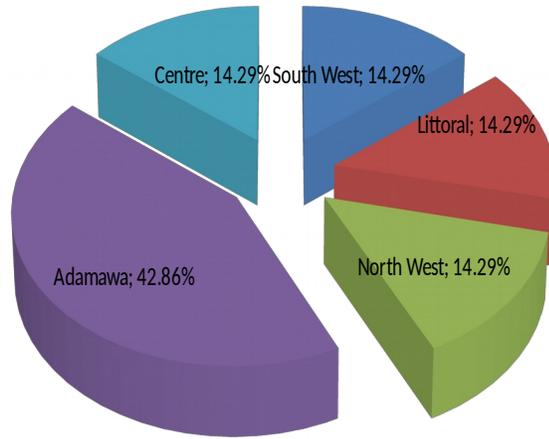

### Health Corruption Hotline Age-Range Split February 2016

The adult age range had the highest calls representing 62% of calls, followed by the youth age range with 25% and lastly the elderly age range with 13%.

## Regional Representation

### Health Corruption Hotline Regional Representation February 2016

The Adamawa region had the highest participation representing 43% of calls, followed by the South West region with 15% and lastly, the Centre, Littoral and North West regions had 14% each
