General

The AC hotline phone registered 32 calls this month of July 2016 with a total of 22 complaints, 16 complaints on corruption and corruption related offenses and 6 non corruption related offenses.

Two (02) new case files opened this month

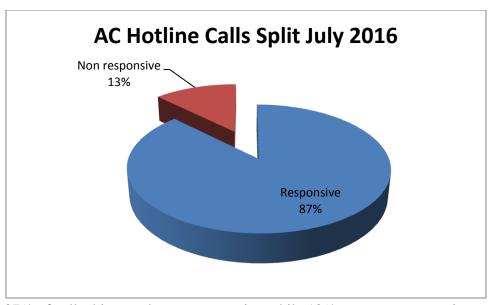

A new case file on bribery and corruption was opened this month. The complainant was demanded 30% kickback as bribe, when he went to collect his arrears at the Ministry of Finance. Investigations are ongoing

Another new case file on embezzlement was opened this month. Five people called from the Extreme North region precisely from Mokolo reporting a contractor for misappropriating public funds entrusted to him for the building of a bridge in that locality. Investigations are ongoing.

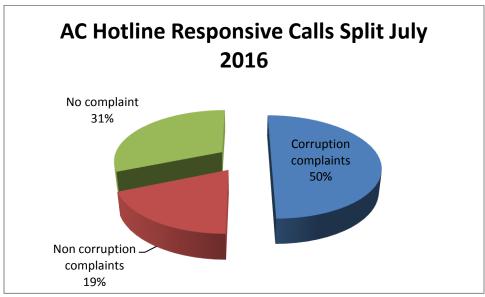

Brochure distribution and poster pasting were the major activities carried out this month in order to recruit victims of corruption. Posters were pasted and brochures distributed in corruption hotspots like the central post office roundabout and around the Ministry of Finance which harbors many other ministries.

Investigations

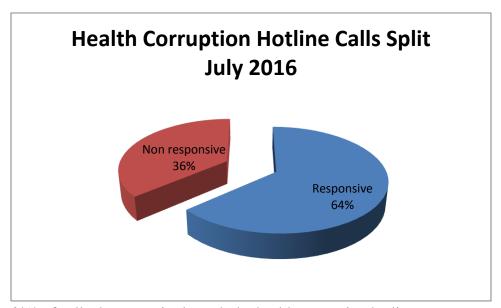

Investigations were carried out on a new case file on bribery and corruption opened this month. The victim complained that he was solicited 30% kickback as bribe at the Ministry of Finance. According to him, he went to follow-up documents for the payment of his retirement benefits and was told they could only sign the documents that will release the payment if he gave them a commission out of it. Unfortunately, the victim did not allow AC to pursue the case further by withholding information regarding the culprit and intentionally making his phone number unreachable. He explained to AC that he had suffered a lot in poverty and could not follow AC's process as it could cause him to lose the money.

Investigations were also necessary on a new case file on embezzlement opened this month. Five inhabitants of the Mayo Sanaga division called to report a case of embezzlement by a private road construction contractor. The Brigade commander of the Mokolo gendarmerie unit who placed the first call reported that a bridge constructed earlier this year with funds ranging from about 27million – 37million has already collapsed due to the use of cheap materials. According to him, when the contractor was questioned regarding the use of cheap materials, he said that he had to subtract a huge amount of the contract money to pay as commission to the public contract workers before the money was released. AC is investigating the contractor and is monitoring the

reaction of the Minister of Public Contracts to whom the original complaint was sent to and copied to AC.

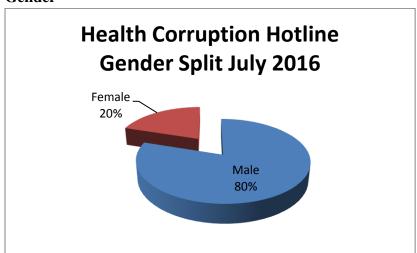

Health Corruption Hotline
